Explanation:

1. Please note that your policy conditions state that the maximum payment period is 30 days after the premium due date. Your cover will automatically be suspended if payment is not received by us within this payment term. You remain obligated to pay, even when your cover has been suspended.
2. If this invoice is for a vehicle or motorcycle insurance then, in addition to the suspension of cover, your registration with the RDW (the Driver and Vehicle Licensing Agency in The Netherlands) will be cancelled. This means that when your cover is suspended, you can be fined by the RDW in the event of a check by them.
3. Because payments are processed automatically, please always mention your customer number / invoice number with your payment to ensure there are no delays in the processing.

This explanation stems forth from stricter guidelines and controls from various government agencies.
